Onboard a UFO!

Onboard UFO Encounters contains fifteen all new original cases of people who have been taken onboard a UFO. None have been published before. What really happens when someone is taken onboard an alien craft? The answer may surprise you. These true firsthand accounts provide an extensive exploration deep into the heart of the UFO phenomenon, and show just how fascinating and strange UFO contact can be. A wide variety of ETs are represented including grays, praying mantis, human-looking ETs, hybrids, humanoids of all types.

Fifteen ordinary people, each who have had the extraordinary experience of being taken onboard a UFO.

- After being abducted by aliens, a young man continues to see grays, and later learns he has a daughter who lives among the stars.
- A woman wakes up to find herself onboard a UFO where she helps to rescue people from a horrific disaster.
- Taken onboard a UFO as a child, a young marine officer stationed at Camp Pendleton encounters reptilian humanoids working with the military.
- An Air Force Officer who works for Special Forces is taken by the grays.
- A little girl from Georgia realizes that the monsters in her closet are real, beginning a lifetime of contact with grays, who heal her and issue dire warnings for all humankind.
- A California man is invited to leave Earth and live with the ETs. Will he accept the invitation?
- An entertainer takes a road-trip across the Canadian Rockies, resulting in an incredible UFO encounter, and the realization that he's in contact with extraterrestrials.
- After several fully conscious abductions by grays, a woman learns how to resist being taken.
- A family drives by a strange-looking "spaceship house" and then, on their return trip, are surprised to find the house still there. This time, they stop and investigate.
- A young boy is taken for a three-hour ride onboard a UFO by friendly human-looking ETs.
- Two brothers are taken onboard a UFO, causing unforeseen consequences that will affect them both for the rest of their lives.
- A woman who works for the Army Department of Defense is approached by a UFO with a message that will save her life.

- After several missing time incidents, a young man from Louisiana begins to remember what happened to him when he was taken onboard a UFO.
- A nurse sees the book, Communion, and recognizes the gray alien on the cover. She can no longer deny that she's an abductee. And one of the grays wants to talk to her about it.
- A man from England is repeatedly taken onboard a UFO. The problem is, he remembers a lot of it, and the grays can no longer control him. Now he's ready to fight.

Fifteen true accounts, told in the witnesses' own words. An onboard UFO encounter is the ultimate UFO experience. The stories in this book provide a firsthand look at what it's like to be inside a UFO and meet extraterrestrials face-to-face. Why are the ETs visiting our planet? What is their agenda? Are they friendly or hostile? The answers are in the pages that follow.
