This book depicts the wonder of the world of Bears in all its glory. Children are given a well-rounded understanding of this fascinating creature: its anatomy, feeding habits and behavior. The following bears are featured: * The abundant American Black Bear * The shy Asiatic Black Bear * The endangered Giant Panda Bear * The silvery Grizzly Bear * The awesome Kodiak Bear * The sweet-toothed Malayan Sun Bear * The carnivorous Polar Bear * The unique Sloth Bear * The diminutive Spectacled Bear The pictures look great even in black and white and are excellent on the full color kindle. The description in the large text beneath is simple enough for early readers or for a parent to guide a child through. There are also picture captions that provide more information to talk about with your child. Alternatively, a child of any age (even the child in you) can just look at the images and appreciate its beauty. Enjoy!
