In the third book in Simone Elkeles' New York Times bestselling YA contemporary romance series, Luis Fuentes must choose--his family's past or a future with Nikki Cruz, the girl he loves.

Luis Fuentes has always been sheltered from the gang violence that nearly destroyed his brothers' lives, but that has never stopped him from taking risks to feed his craving for adrenaline.

Nikki Cruz lives by three rules--boys lie to get their way, don't trust a boy who says "I love you," and never date a boy from the south side of Fairfield. But when

chemistry with south sider Luis becomes too hot to ignore, Nikki is tempted to break all her rules.

Then a disturbing revelation about Luis's family puts him in the sights of Chuy Soto, the new head of the Latino Blood, who is determined to draw him into the gang life his brothers left behind. Will Luis's feelings for Nikki be enough to stop him from entering a dark and violent world and permanently living on the edge?
