Crazy Dangerous

Do Right, Fear Nothing.

Sam Hopkins is a good kid who has fallen in with the wrong crowd. Hanging around with car thieves and thugs, Sam knows it's only a matter of time before he

makes one bad decision too many and gets into real trouble.

But one day, Sam sees these friends harassing an eccentric schoolmate named Jennifer. Finding the courage to face the bullies down, Sam loses a bad set of friends and acquires a very strange new one.

Jennifer is not just eccentric. To Sam, she seems downright crazy. She has terrifying hallucinations involving demons, the devil, and death. And here's the really crazy part: Sam is beginning to suspect that these visions may actually be prophecies—prophecies of something terrible that's going to happen very soon. Unless he can stop it.

With no one to believe him, with no one to help him, Sam is all alone in a race against time. Finding the truth before disaster strikes is going to be both crazy and very, very dangerous.

## If We Survive

They came on a mission of mercy, but now they're in a fight for their lives.

High schooler Will Peterson and three friends journeyed to Central America to help rebuild a school. In a poor, secluded mountain village, they won the hearts of the local people with their energy and kindness.

But in one sudden moment, everything went horribly wrong. A revolution swept the country. Now, guns and terror are everywhere—and Americans are being targeted as the first to die.

Will and his friends have got to get out fast. But streets full of killers . . . hills patrolled by armies . . . and a jungle rife with danger stand between them and the border. Their one hope of escape lies with a veteran warrior who has lost his faith

and may betray them at any moment. Their one dream is to reach freedom and safety and home.

If they can just survive.

## Nightmare City

What should have been an ordinary morning is about to spiral into a day of unrelenting terror.

As a reporter for his high school newspaper, Tom is always on the lookout for an offbeat story. But from the moment he woke up this morning, his own life has been more bizarre than any headline could ever tell.

The streets of his town are suddenly empty and silent. A strange fog has drifted in from the sea and hangs over everything. And something is moving in that fog. Something evil. Something hungry. Closing in on Tom.

Tom's terrified girlfriend Marie says the answers lie at the Santa Maria Monastery, a haunted ruin standing amidst a forest blackened by wildfire. But can he trust her? A voice that seems to be coming from beyond the grave is warning him that nothing is what it seems.

Only one thing is certain: with his world collapsing around him, Tom has only a few hours to recover the life he knew—before he, too, is lost forever in this nightmare city.
