What secrets are revealed when six teens get trapped at school on a Saturday?

Wes and his best buds, Tony and Jeff, have enough brain power to fuel the entire sophomore class, but when it comes to their social lives, they are totally inept. So they volunteer to organize the art room on Saturday knowing three certain cheerleaders will be there for practice. Trouble is, none of the guys can come up with a plan to take advantage of the opportunity to be the only six students in the building.

Then, thanks to a freak snowstorm, they're snowed in, which isn't so bad when the girls of their horniest dreams are there, too. Maybe it could give Wes the chance to make his fantasies about Ellyce come true! However, the last thing Wes expects is to be caught in a game that forces everyone to share his deepest secret. He fears if Ellyce discovers the story of his alcoholic father and abandonment by his mother, she'll never want anything to do with him.
