## Eve's Diary, Mark Twain

Eve's Diary is a comic short story by Mark Twain. It was first published in the 1905 Christmas issue of the magazine Harper's Bazaar, and in book format in June 1906 by Harper and Brothers publishing house.

The "plot" of this story is the first-person account of Eve from her creation up to her burial by her mate Adam, including meeting and getting to know him, and exploring the world around her, Eden. The story then jumps 40 years into the future after the Fall and expulsion from Eden.

It is one of a series of books Twain wrote concerning the story of Adam and Eve, including Extracts from Adam's Diary, 'That Day In Eden,' 'Eve Speaks,' 'Adam's Soliloquy,' and the 'Autobiography of Eve.' "Eve's Diary" has a lighter tone than the others in the series, as Eve has a strong appreciation for beauty and love.
