Lawson Kent is a jerk of the highest order. Sure he's got the face of a god and the body of a prisoner dedicated to pumping iron, but every time he's in my way my blood boils.

His obnoxious mug seems impossible to escape. So when we're paired together to work on the community interaction project, we call a truce. In fact, the more I hang out with Lawson, the more it seems he really gets me. Not too many people do.

Lucky Madden is a mouthy piece of work. Yes, she's gorgeous to a fault and that's precisely why her overprotective, tatted up brother, Jet, pays me the big bucks to make sure none of the idiots at Whitney Briggs University land her horizontal. Only, too bad for me, Lucky Madden is the last person I want to hover over every free chance I get.

Then one night, she cuts the mouthy routine and does something far more productive with those lips, she kisses me. Now I can't get Lucky Madden out of my mind. I'm addicted in every single way, and soon enough, the only person her brother will want to rip to pieces is me.
