Angels rule Fallen City. But beyond their gilded wall, anything goes.

MIRA:

I live with my best friend in a crappy apartment outside Fallen City, in the Halo. For nobodies like us, breaking the law is the only way to survive. When a job goes wrong, I'm forced to attend the Nephilim Academy, where I can't help but fall for the enemy. One of my angelic teachers.

ELLIE:

I risk it all to become a vampire's pet. Instead, I wind up at the Nephilim Academy with his hot son. We're supposed to steal a gem, but I might have to kill my best friend to do it.

Midnight Wings is the first full-length novel in the series and ends on a cliffhanger. The first book is told from Mira and Ellie's point of view. \*\* There is scorching hot consensual sex, a copious amount of strong language, and adult situations. \*\*
