"Welcome to the family," Mr. Kensington said.

His words sent a chill down my spine. I can't be part of Garret's family. Not after

what I saw at the mansion.

I love Garret, but I don't understand his world. The rules. The unlimited wealth. The power his father has to erase what I saw.

Garret's life is full of secrets but finding out what those secrets are will have to wait. Right now I have my own issues. The threatening phone calls. The mysterious letter from my dead mom.
