Thomas Fleming was an eminent writer renowned for his expertise in American history. His passion for the subject resonates in his books, making him a trusted source of knowledge. The Thomas Fleming Library houses an array of meticulously researched texts, shedding light on different aspects of the American Revolution.

Exploring the Intricacies of the American Revolution

The Boston Tea Party: Unveiling the Catalyst

The American Revolution had various catalysts, and one significant event was the Boston Tea Party. This act of civil disobedience, executed by colonists in response to the British-imposed Tea Act, laid the groundwork for the revolution. The Thomas Fleming Library provides intricate accounts of this iconic event, showcasing the motivations and consequences that followed.

The Founding Fathers: Beyond the Legends

The Founding Fathers played a pivotal role in shaping the United States of America as we know it today. However, their lives and contributions often surpass their legendary status. The Thomas Fleming Library brings their stories to life, offering a deeper understanding of the struggles, ideals, and sacrifices that forged the nation.

Revolutionary Women: Unsung Heroes of Liberty

While the American Revolution is often associated with men, it is crucial to acknowledge the influential women who played vital roles during this period. From Abigail Adams to Betsy Ross, the Thomas Fleming Library celebrates the accomplishments and contributions of these unsung heroes, ensuring their stories become part of the historical narrative.

SERVING THE CAUSE

Women were forbidden to serve in George Washington's Continental Army. But evidence shows that at least four women became part of the fighting force. Some boys as young as 11 joined the army, a woman wearing loose-fitting clothing could pass as a boy. One woman from Maine enlisted with her brother in 1775 and served until the war ended in 1781. In 1776, an unidentified Cherokee woman was found dead on a battlefield. She wore face paint like male Cherokee warriors and carried a bow and arrows.

A Woman Soldier
 was an unusual female to lead in 1775. Massachusetts boys who served alongside her in 1775, after the last battle of the war had

when there was still some fighting, she enlisted in the Continental Army as Robert Shurt-
 46 She served for one-and-a-half years. According to the account, after Shurtcut was hit by a musket ball, she cut the ball out of his leg to avoid being captured by a British soldier. A doctor treating Shurtcut for a fever discovered her secret. She was given an honorable discharge in October 1780.

A Boy in Gun
 boys of French and African-American heritage. Some may also joined the army in disguise to be near their brothers. Her identity was not discovered until one died at the British siege of Savannah, Georgia, in 1778.

Liberty! brings to life one of the most important and compelling stories in America's history: the struggle for independence and the birth of the nation. New York Times bestselling historian Thomas Fleming's gripping narrative captures the high drama of the revolutionary war years and the unyielding courage and political genius of the men and women who imagined a new set of political possibilities for humankind - laying the foundation for the identity and character of the American people in the process. The companion volume to the PBS television series of the same name, Liberty! traces the evolution of the ideals that inspired a generation of Americans to struggle against Britain - then the most powerful country in the world - to establish the free society and democratic system that is so inherently and uniquely American.
