This antique text contains a detailed account of various big game hunting expeditions around the United States. Written by Theodore Roosevelt, this fascinating text is both entertaining and informative, and is sure to appeal to anyone with an interest in hunting or in the life and work of one of the most notable Americans to have ever lived. The chapters of this book include: 'Ranching in The Bad Lands', 'Waterfowl', and 'The Deer of the River Bottom'. Theodore "T. R." Roosevelt (1858 - 1919) was an American author, naturalist, explorer, historian, and politician who served as the 26th President of the United States. Many early works such as this are increasingly costly and hard to come by, and we are proud to republish this text now complete with a new prefatory biography of the author. We hope that its contents can continue to be of value to the discerning reader for years to come.
