Black Thursday marked one of the darkest days in the history of the Hellcats of the Sea. On this fateful day, a squadron of Hellcat pilots was ambushed by enemy forces, resulting in a devastating aerial battle. With courage and unwavering determination, these brave women fought against all odds, defending their fellow comrades and pushing their aircraft to the limits. Follow their journey as we delve into the heart-wrenching details of this extraordinary mission.

## **Helmets and Lipstick: The Glamour and Grit of the Hellcats**

Beyond the treacherous skies, the Hellcats of the Sea faced a unique challenge – the battle against societal norms. In a time when women's roles were confined to the domestic sphere, these pilots defied expectations and shattered stereotypes. Discover the untold stories of how these women managed to balance glamour and grit as they took to the skies, representing a symbol of strength and femininity. Learn about the infamous lipstick-marked helmets, a testament to the resilience and spirit of these groundbreaking aviators.

## **Coral Comes High: Danger Lurking Beneath the Waves**

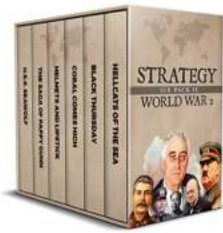

Unbeknownst to many, the Hellcats of the Sea also faced peril beneath the waves. In *Coral Comes High*, we delve into the little-known missions where these courageous women piloted their Hellcats through treacherous coral reefs to reach enemy targets. Navigating through narrow channels and unpredictable waters, they risked their lives to deliver retaliatory strikes against the opposing forces. Join us as we uncover the extraordinary tales of bravery and ingenuity that unfolded beneath the surface.

### **Rediscovering Forgotten Heroes**

The tales of the Hellcats of the Sea resonate with determination, resilience, and a commitment to breaking boundaries. These women faced tremendous challenges, both in the air and on the ground, but their stories have largely been

forgotten. It is time we shed light on their remarkable achievements and give these pioneering individuals the recognition they deserve.

As we delve into the untold stories of Black Thursday, Helmets and Lipstick, and Coral Comes High, we honor the legacy of these brave women pilots. Their unwavering spirit and contribution to the war effort deserve to be acknowledged and remembered. Strategy Six Pack 15

Hellcats of the Sea: Operation Barney and the Mission to the Sea of Japan by Charles A. Lockwood and Hans C. Adamson

On June 9, 1945, torpedoes from nine American submarines – ‘The Hellcats’ – were launched at dozens of Japanese freighters, paralyzing maritime operations between Japan and Korea. Each U.S. sub was equipped with newly designed mine-detectors and Mark-18s -- electronic torpedoes that left no traceable wakes or fume exhausts. Operation Barney continued for 15 days and proved a crucial breakthrough in the war, with U.S. submarines sinking 28 Japanese ships totaling some 70,000 tons. Hellcats of the Sea is a riveting account of the planning and events of those 15 days.

Black Thursday: The Story of the Schweinfurt Raid by Martin Caidin

The exciting story of the United States Air Force's massive bombing raid into Nazi Germany's industrial heartland on Thursday, October 14, 1943.

Coral Comes High by George P. Hunt

Captain George P. Hunt's concise and intense account of his experience during the nightmare initial stages of the Peleliu invasion by the US Marines.

Helmets and Lipstick by Ruth Haskell

The frank first-hand memoir of Second Lieutenant Ruth Haskell, chronicling her time spent as a combat nurse with U.S. troops in North Africa during Operation Torch.

The Saga of Pappy Gunn by George Churchill Kenney

The best-selling biography of legendary World War 2 Air Force fighter pilot, Colonel Paul Irving Gunn.

U.S.S. Seawolf: Submarine Raider of the Pacific by Gerold Frank, James D. Horan, J. M. Eckberg.

The story of the legendary U.S. Navy submarine USS Seawolf which patrolled the Pacific during World War 2, shoving off the day of the Pearl Harbor attack.

Strategy Six Pack 15 is a must read for World War 2 buffs and military historians. Each work has been revised and updated with modern American English spelling and punctuation. There are also footnotes and images throughout from World War 2.
