Are you a fan of thrilling and suspenseful stories that leave you breathless? If so, then you need to check out "Even if We Break" by Marieke Nijkamp. This gripping

novel takes readers on a rollercoaster ride of emotions as a group of friends gather for one final game night. But what starts as innocent fun soon turns into a chilling ordeal that none of them will ever forget.

The Plot

In "Even if We Break," we meet a group of five friends - Axton, Violet, Heather, Syd, and Wren - who have been playing a role-playing game together for years. As their university years come to an end, they decide to have one last game night at an isolated cabin in the woods. Little do they know, this decision will test their friendship and push them to their limits.

The game they choose to play is "The Murder Game," a psychological thriller where each player assumes the role of a character with their own secrets and desires. But as the game progresses, the line between reality and fiction blurs, and the friends find themselves trapped in a web of lies, deception, and danger.

The Characters

Marieke Nijkamp has created a diverse cast of characters that readers can't help but root for. Axton, the game master, is the glue that holds the group together. He

is smart, charismatic, and deeply caring about his friends. Violet is the artist of the group, with a sharp mind and a strong sense of justice. Heather is the goth girl with a hidden vulnerability. Syd is the computer genius who always sees things from a different perspective. And finally, Wren is the actor who can slip into any role effortlessly.

As the novel progresses, we get to know each character intimately, uncovering their pasts, insecurities, and desires. The author beautifully weaves these backstories into the narrative, adding depth and layers to the overall story. Each character's flaws and strengths are explored, making them feel like real people who we can relate to and invest in emotionally.

The Themes

"Even if We Break" touches on several important themes, making it more than just a thrilling page-turner. One of the prevalent themes is the power of friendship. The bond between the characters is tested throughout the novel, and readers are left wondering if their friendship can survive the horrors they face together.

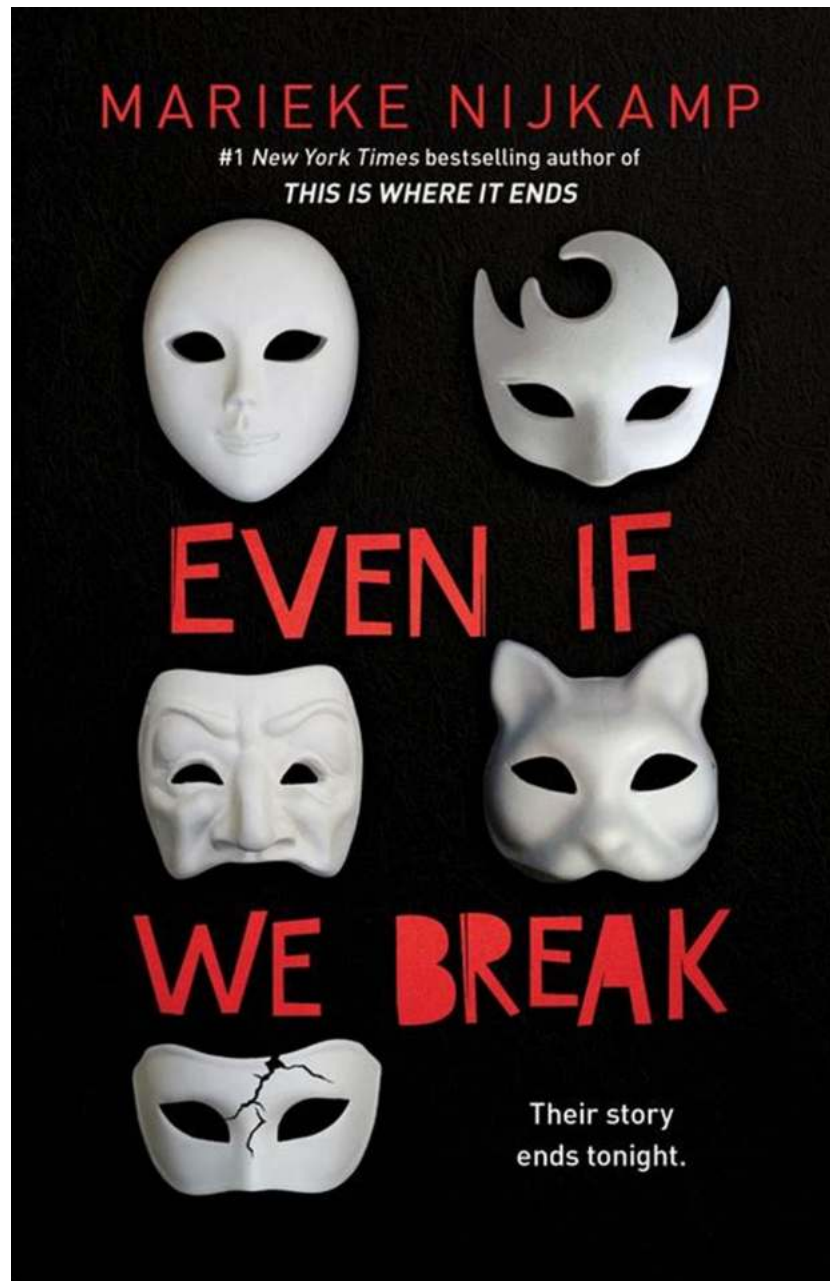

Another theme explored is the impact of secrets and lies. Each character in the story carries their own secrets, and as the game progresses, these secrets start to unravel, leading to devastating consequences. The novel forces readers to contemplate how the choices we make and the secrets we keep can affect our relationships and our lives.

The concept of identity is also expertly explored in "Even if We Break." As the characters assume their roles in the game, they question who they truly are and how far they are willing to go to protect themselves and their friends. The novel delves into the idea that our perception of ourselves may not always align with reality, and sometimes, we are forced to confront painful truths about ourselves.

The Writing Style

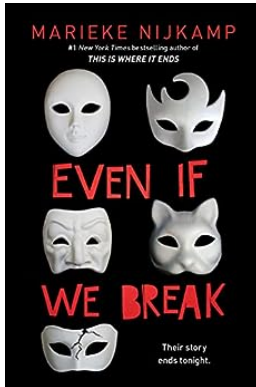

Marieke Nijkamp has a knack for creating tension and suspense with her writing. The pacing of the novel is perfect, keeping readers engaged and eager to find out what happens next. The author's ability to build suspense and create a sense of unease is commendable, making "Even if We Break" a true page-turner.

The narrative is told from multiple perspectives, allowing readers to get inside the heads of each character. This adds a layer of complexity to the story, as we see events unfold through different lenses and gain insight into each character's motivations.

"Even if We Break" by Marieke Nijkamp is a must-read for fans of thrilling and suspenseful novels. With its gripping plot, well-developed characters, and thought-provoking themes, this book will keep you on the edge of your seat from beginning to end. If you're ready for a captivating reading experience, dive into the world of "Even if We Break" and prepare yourself for a wild ride.

A shocking thriller about a group of friends who go to a cabin to play a murder mystery game...only to have the game turned against them, from the #1 New York Times bestselling author of This Is Where It Ends.

FIVE friends go to a cabin.

FOUR of them are hiding secrets.

THREE years of history bind them.

TWO are doomed from the start.

ONE person wants to end this.

NO ONE IS SAFE.

Five friends take a trip to a cabin. It's supposed to be one last getaway before going their separate ways—a chance to say goodbye to each other, and to the game they've been playing for the past three years. But they're all dealing with their own demons, and they're all hiding secrets.

And as they start to play the murder mystery game that brought them together in the first place, the lines between the game and reality blend, with deadly consequences. Someone knows their secrets. Someone wants to make them pay. Soon, it's a race against time before it's game over—forever.
