## Selection of Dealey Plaza

The sniper explains how Dealey Plaza's architecture and layout played a critical role in the selection of the site. With elevated positions, limited escape routes, and strategic positioning of key landmarks, the plaza presented an ideal setup for executing a high-impact assassination.

## Sniper's Hideout

The anonymous sniper reveals the details of his carefully concealed hideout within the kill zone. Disguised and undetectable to the untrained eye, the sniper meticulously crafted a location that provided clear lines of sight while remaining obscured from potential witnesses and investigators.

## The Shot: Logistical Challenges and Expert Marksmanship

Executing a precise shot, under immense pressure, required impeccable marksmanship skills. The sniper shares the technical challenges he faced, such as wind speed, distance, and shooting angles that had to be factored into his calculations.

## The Aftermath: Concealment and Escape

After firing the fatal shot, the sniper meticulously planned his escape to avoid detection. He discusses the immediate aftermath, including how he managed to hide his weapon, leave the crime scene unnoticed, and evade potential capture.

## **Unanswered Questions and Lingering Doubts**

Despite the sniper's detailed account, many questions surrounding the assassination still remain unanswered. In this section, we explore these lingering doubts and examine some of the inherent complexities within the conspiracy theories.

## **Multiple Shots or Single Assassin?**

The sniper delves into one of the most controversial aspects of the assassination, the number of shots fired. He sheds light on whether a single shooter could have carried out the attack or if there is evidence supporting a multi-assassin theory.

## **Suppressed Evidence and Government Involvement**

Discussing the alleged cover-up, the sniper offers insights into the possibility of hidden evidence, including the potential involvement of government agencies in suppressing information related to the assassination.

In this extraordinary interview, a kill zone sniper opens up about his involvement in the assassination of President John F. Kennedy at Dealey Plaza. Providing an insider's perspective, the revelations offered provide a unique window into one of the most pivotal moments in American history.

In 1987, former U.S. Marine Corps sniper Craig Roberts, a seasoned veteran of the Vietnam war, stood for the first time at the 6th floor of the Texas School Book Depository. As he looked down into that the U.S. Government maintains was the kill zone used by Lee Harvey Oswald, he knew immediately the the Warren Commission's verdict that Oswald, acting alone from that position, fired three shots is 5.6 seconds with an ancient bolt-action rifle was a lie.

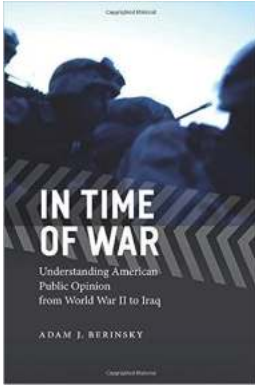

If Oswald, by himself, could not have done it, then who could? And why?

Follow Roberts's investigation of six years into a shadow world of black operations into a level above the CIA, the KGB, the Mafia, Texas oil and others into a powerful organization that to them, to murder a head of a country anywhere is "business as usual."
