Discovering North York Moors:

The North York Moors, located in the county of North Yorkshire, England, is an enchanting and diverse landscape that stretches over 1,400 square kilometers. Renowned for its stunning heather moorland, ancient woodlands, and picturesque coastline, the North York Moors also hides a secret beneath its surface — a labyrinth of awe-inspiring caves.

The Journal of York Caving Club and North York Moors Caving Club takes you on a captivating journey, showcasing the variety of caves hidden within this natural wonder. From the famous Ingleby Incline to the lesser-known beautiful caverns, the journal provides detailed descriptions and mesmerizing photographs of these hidden gems.

The Adventurers Behind the Journal:

The York Caving Club and North York Moors Caving Club are home to a passionate group of explorers and adventure seekers. Their love for caving has driven them to dedicate countless hours to unearth the secrets of the underground world. Through their journal, they share their incredible stories,

inspiring both experienced cavers and curious beginners to dive into this extraordinary realm.

A Glimpse into the Journal:

The Journal of York Caving Club and North York Moors Caving Club is filled with captivating stories, breathtaking photographs, and invaluable tips for aspiring cavers. Let's take a closer look at some of the highlights:

1. Challenging Underground Expeditions:

Join the cavers as they navigate treacherous passages, crawl through narrow tunnels, and abseil down vertical shafts. Experience the adrenaline rush as they overcome obstacles and discover hidden chambers filled with stunning formations.

2. Fascinating Geological Wonders:

Delve into the geological marvels found within the caves of the North York Moors. Dive into the history of these formations, understand how they were shaped over millions of years, and be mesmerized by their sheer beauty.

3. Stunning Cave Photography:

Prepare to be captivated by the breathtaking photographs that adorn the pages of this journal. Marvel at the natural wonders that lie beneath our feet, beautifully captured by the skilled photographers amongst the club members.

4. Safety and Preparation:

Caving can be an exhilarating adventure, but safety should always come first. The journal provides essential information on equipment, safety protocols, and proper preparation to ensure a secure and enjoyable caving experience.

5. Conservation and Stewardship:

The cavers at York Caving Club and North York Moors Caving Club prioritize the preservation of these delicate underground ecosystems. Discover their initiatives for protecting these environments and learn how you can contribute to the conservation efforts.

Embark on Your Caving Adventure:

Are you ready to take the plunge into the mesmerizing world of caving? The Journal of York Caving Club and North York Moors Caving Club is your comprehensive guide to accompany you on this thrilling journey. From preparation to exploration, this journal ensures you have all the knowledge and inspiration to make your caving adventure an unforgettable experience.

Dive into the unknown, reveal the hidden wonders beneath the surface, and discover a world beyond your wildest imagination. Take a step into the abyss, and let the Journal of York Caving Club and North York Moors Caving Club be your guiding light.

The 2013 discovery of Jenga Pot, reported in Journal Two, proved only to be the start of another adventure that would occupy us for several years and yield over 1km of new cave. Journal Three reports on these exciting developments, plus several projects elsewhere across the North York Moors, including sump diving,

determined digging, the discovery of new windypits, and the rediscovery of several kilometers of jet and whinstone workings.
