NEW YORK TIMES BESTSELLER • Senator John McCain’s deeply moving memoir is the story of three generations of warriors and the ways that sons are shaped and enriched by their fathers.

John McCain’s grandfather, a four-star admiral and one of the navy’s greatest commanders, led the strongest aircraft carrier force of the Third Fleet during World War II. McCain’s father, also a four-star admiral, served as commander of all U.S. forces in the Pacific during the Vietnam War.

It was in Vietnam that John McCain III faced the most difficult challenge of his life. A naval aviator, he was shot down over Hanoi in 1967. Recognized as the son of a top commander, McCain was tortured and imprisoned for five and a half years. Despite this, he refused Vietnamese offers of an early release. What McCain learned from his grandfather and father enabled him to survive those hard years.

A testament to the power of human endurance, *Faith of My Fathers* is the story of three men who fought for their country with courage and emerged with their honor intact.

“Faith of My Fathers is the powerful story of a war hero. In it we learn much of what matters most. As prisoner (and later Senator) McCain instructs us: Glory is not an end in itself, but rather a reward for valor and faith. And the greatest freedom and human fulfillment comes from engaging in a noble enterprise larger than oneself. Faith of My Fathers teaches deep truths that are valid in any age but that warrant special attention in our own.”—William J. Bennett
