A Glimpse into the Characters

The characters in *Fireworks Should We See It From The Side Or The Bottom* are impeccably crafted, making it easy for readers to connect with their experiences and emotions. Norimichi, the protagonist, is a thoughtful and somewhat introverted young boy, struggling with his feelings for Nazuna. Yusuke, on the other hand, is more outgoing and spontaneous. The dynamic between these two friends is beautifully portrayed, showcasing the complexities of male friendship.

Nazuna, the object of affection, is a mysterious and enigmatic character. Her desire for freedom and escape from a difficult family situation adds depth to the story. As the narrative progresses, readers will find themselves empathizing with the characters, experiencing their joys, heartbreaks, and the challenges they face.

The Beauty of Fireworks Should We See It From The Side Or The Bottom

What sets *Fireworks Should We See It From The Side Or The Bottom* apart is its ability to evoke powerful emotions through its breathtaking visuals. The anime film adaptation in particular showcases stunningly animated fireworks, creating an ethereal and dreamlike atmosphere. The fireworks themselves become a metaphor for the characters' desires, hopes, and the fleeting nature of existence.

The Reflections Ignited

Despite its fantastical elements, *Fireworks Should We See It From The Side Or The Bottom* delves into relatable themes such as unrequited love, friendship, and the search for personal happiness. The story ignites reflections on the choices we make, and how they have the potential to shape our entire lives. It explores the concept of destiny versus free will, leaving readers contemplating whether they should leave their lives up to fate or take control of their own path.

Fireworks Should We See It From The Side Or The Bottom is more than just a light novel or an anime film; it is a thought-provoking piece of art that will touch your heart and leave a lasting impression. With its captivating storyline, beautifully developed characters, and stunning visual imagery, it is an experience that should not be missed. So, embark on this mesmerizing journey and discover the magic that lies within fireworks.

Does a firework look different depending on the angle it's viewed from?

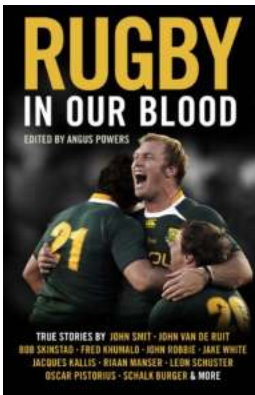

Norimichi lives in a quiet seaside town. On the day of the big summer fireworks display, he agrees to visit the town lighthouse with his childhood friends so they can see the fireworks "from the side." That evening, however, Norimichi receives a sudden invitation to "elope" with Nazuna, the girl from class he has a secret crush on. The pair's plan fails when Nazuna's mother shows up and drags her daughter away. Hoping to get Nazuna back, Noromichi makes a wish: If only he could get one more try...
