There's no place like home.

For Princess Miya Black 'home' is Clover Island, a tiny dot of a place not even named on most maps. Founded fifteen years ago by her parents, ex-pirate Tomas "Boots" Black and ex-princess Lilith "Lily" Brightburn, it's a place for second chances and new beginnings. It's there that Miya was born, there she grew up, and there she now lives, spending her days riding with her best friend, practising swordsmanship with her fake uncle, sailing with her father, and avoiding book

lessons with her mother. To Miya it's the best place in the entire world, and she knows how lucky she is to have it.

So when her home is threatened Miya doesn't just sit around sulking. She's the princess of Clover Island, with the blood of pirate legends running through her veins, and she'll do whatever it takes to protect her kingdom.

"Adventure Dawns" is the first book in the Miya Black, Pirate Princess series.
