Two of Amazon's hottest authors, Ash Lingam and Gerald L. Guy, have joined forces to create a classic western tale that will warm the hearts of readers of all ages this holiday season.

Tonkawa legends Potak and Tuc have been chasing their destiny for decades, never knowing what will show up around the next bend in the road. When they rescue two teenagers from the worst winter storm in Texas history, their path is altered once again.

Tommy Turnbolt and Delbert Elliott are the oddest white boys the Tonkawa scouts have ever encountered. One is extremely tall and the other oddly short. They are guided to Texas by a mysterious crystal ball and the words of a fortune teller, who promises them they will find their long-lost parents in the Lone Star State.

The boys' quest is aided by the Tonkawa cousins, but it is filled with strange happenings and odd characters, including a kidnapped mother and a father with a tragic criminal past.

With Christmas and the Winter Solstice approaching, will Potak's visions lead them to their loved ones or on a long and grueling path of spiritual enlightenment.
