Letter #3: "The Healing Power of Honey"

A grateful recipient of Alys Fowler's honey shares their story of how this golden elixir transformed their health. From soothing sore throats to healing wounds, honey has been used for centuries as a natural remedy. Uncover the incredible therapeutic properties of this sweet gift from bees and how it can benefit your overall well-being.

Letter #4: "The Miraculous Dance of Bees"

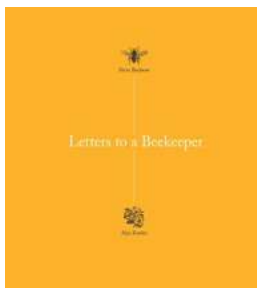

Get ready to embark on a mesmerizing journey as an awe-struck beekeeper describes the mesmerizing bee dances witnessed in their apiary. These intricate movements serve as a form of communication, allowing bees to share vital information such as the location of nectar-rich flowers. Prepare to be dazzled by the intricacies of this mysterious dance that only bees can understand.

Letter #5: "The Battle Against Colony Collapse Disorder"

An expert beekeeper corresponded with Alys Fowler, shedding light on the devastating issue of colony collapse disorder (CCD) that has been plaguing bee populations worldwide. Discover the alarming factors contributing to this phenomenon and the potential consequences if nothing is done to address it. Find out how you can contribute to the efforts in saving these valuable pollinators.

:

Beekeeping is an enchanting world filled with endless wonders. Alys Fowler's mailbox has become a treasure trove of captivating letters, revealing the marvels and challenges that bees and beekeepers face. From the unseen struggles of bees to the miraculous dance within their hives, it's clear that these incredible creatures are worthy of our awe and admiration. As Alys Fowler continues to receive letters from around the globe, the fascinating journey into the world of bees continues.

This the story of how, over the course of a year, Alys, the Guardian gardening writer, learns how to keep bees; and Steve, the urban beekeeper, learns how to plant a pollinator-friendly garden.

Part beautifully designed coffee-table book, part manifesto, this collection of engaging letters, emails, texts, recipes, notes and glorious photos creates a record of the trials, tribulations, rewards and joys of working with, rather than against, nature. And along the way, you will pick up a wealth of advice, tips and ideas for growing food and keeping pollinators well fed.

Letters to a Beekeeper is for lazy gardeners, novice beekeepers and everyone in between. It is the best rule-breaking, wildlife-friendly, guerilla, urban gardening, insect-identifying, honey-tasting, wax-dripping, epistolary how-to book you could ever hope to own.
