When the only place to hide is in the spotlight...

On the run from the shifter cult that kidnapped her and stole her memories, Audrey is resigned to living her life in the shadows. The cult is raising a dark power that will bring on the end of the world, but to complete the ritual, they need Audrey.

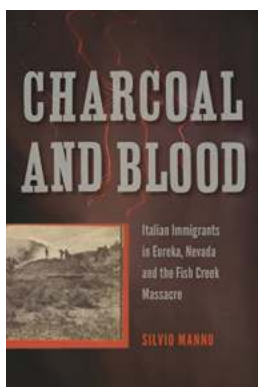

Offered protection by the mercurial president of a talent agency, in exchange Audrey agrees to join pop supergroup, Supernova, alongside the infuriatingly beautiful Thomas Thorne.

Audrey soon learns the president is sitting on enough supernatural firepower to take down the cult and stop the apocalypse. The problem is, the president only cares about money and won't help unless Audrey makes Supernova a success. Can Audrey learn to be a popstar in time to save the world?
