Challenges and Conflicts: Navigating the Wild

The call of the wild can present challenges and conflicts for both animals and men. Through the Issues 11-15 collected edition of "Animals Men," readers delve into the struggles faced by individuals as they navigate their place in the natural world. From the harsh realities of survival to the ethical dilemmas of human intervention, these stories provoke thought and introspection.

Unleashing our Primal Selves: Lessons from the Wild

The wild has much to teach us about our own primal nature. In the "Animals Men" Issues 11-15 collected edition, readers encounter characters who embark on transformative journeys, discovering their true selves through their interactions with wild creatures. By embracing their instincts, these characters tap into hidden strengths and learn valuable life lessons in the process.

The Impact of Human-Animal Conflict on Conservation

Exploring the issues surrounding human-animal conflict, the "Animals Men" series raises awareness about the importance of conservation and respecting our fellow inhabitants of the planet. The Issues 11-15 collected edition highlights the delicate balance between human development and the preservation of wildlife

habitats. By immersing readers in thought-provoking scenarios, these stories inspire conversations about responsible coexistence with the animal kingdom.

Immerse Yourself in the "Animals Men" Series

The "Animals Men" Issues 11-15 collected edition is a captivating blend of captivating storytelling and stunning artwork. Each page invites readers to embark on a journey that explores the deep connections between animals and men. Through thought-provoking narratives, this collection ignites a spark of curiosity and encourages introspection about our place in the natural world.

With its focus on the call of the wild and the intricate relationship between animals and men, the Issues 11-15 collected edition of "Animals Men" offers a captivating reading experience. It compels readers to reflect on the emotional bonds we share with the animal kingdom and the importance of responsible stewardship. So, join the adventure and immerse yourself in the captivating world of "Animals Men" as you discover the true call of the wild.

At the beginning of the 21st Century monsters still roam the remote, and sometimes not so remote, corners of our planet. It is our job to search for them. The Centre for Fortean Zoology [CFZ] is the only professional, scientific and full-time organisation in the world dedicated to cryptozoology - the study of unknown animals. Since 1992 the CFZ has carried out an unparalleled programme of research and investigation all over the world. We have carried out expeditions to Sumatra (2003 and 2004), Mongolia (2005), Puerto Rico (1998 and 2004), Mexico (1998), Thailand (2000), Florida (1998), Nevada (1999 and 2003), Texas (2003 and 2004), Illinois (2004), Gambia (2006), and Guyana (2007) Since 1994 we have been publishing the world's only dedicated cryptozoology magazine, *Animals & Men*. This volume contains facsimile reprints of issues 11 to 15 and includes articles covering out of place walruses, feathered dinosaurs, possible North American ground sloth survival, the theory of initial bipedalism, mystery whales, mitten crabs in Britain, Barbary lions, out of place animals in Germany, mystery pangolins, the barking beast of Bath, Yorkshire ABCs, Molly the singing oyster, singing mice, the dragons of Yorkshire, singing mice, the bigfoot murders, waspman, British beavers, the migo, Nessie, the weird warbling whatsit of the westcountry, the quagga project and much more... PLUS: Preface by Graham Inglis and an introductory essay by Jonathan Downes, notes putting each issue into a historical perspective, and a history of the CFZ. This is a special collectors' edition.
