And the students? All silver-spoon descendants of the world's most elite strategists--training to become assassins, spies, and master impersonators.

One is a virtuoso of accents--and never to be trusted. Another is a vicious fighter determined to exploit November's weaknesses. And then there's the boy with the mesmerizing eyes and a secret agenda.

November doesn't know how an ordinary girl like her fits into the school's complicated legacy. But when a student is murdered, she'll need to separate her enemies from her allies before the crime gets pinned on her . . . or she becomes the killer's next victim.
