"Engel makes good use of her setting; the fight for survival on the cusp of winter stokes the sense of danger in a way that matches Ivy's roiling feelings, and the love story moves with the slow-growing heat that Ivy needs." —Kirkus Reviews

I am still alive. Barely.

My name is Ivy Westfall. I am sixteen years old and a traitor. Three months ago, I was forced to marry the president's son, Bishop Lattimer—as all daughters of the losing side of the war are sold off in marriage to the sons of the winners. But I was different. I had a mission—to kill Bishop.

Instead, I fell in love with him.

Now I am an outcast, left to survive the brutal savagery of the lands outside of civilization. Yet even out here, there is hope. There is life beyond the fence. But I can't outrun my past. For my actions have set off a treasonous chain of events in Westfall that will change all of our fates—especially Bishop's.

And this time, it is not enough to just survive...
