So you want to volunteer to be a youth league Manager? Where do you start? Would you like a handbook to follow to walk you through how to excel in your managing experience?

I had the same feeling when I decided to coach my son's youth league team. This led me to write this easy to follow handbook for volunteers who don't have experience playing baseball or have limited exposure in managing a baseball team.

A one stop shopping handbook that includes: team organization, tryout evaluator, player draft, practices, game day strategies, and tips for navigating your way through interactions with players, parents, volunteer umpires, and league officials.

Author, John Currado is a former Little League World Champion, MVP of the Atlantic Coast Baseball League, and member of the United States National Baseball Team. John is the only two time honoree of the Staten Island Hall of Fame. John will share his experience on the field, as well as his step by step approach as a manager to leading a successful youth league team.

So take a leap of faith and enjoy the fun and excitement you will experience as a youth league manager.

I thoroughly enjoyed John's book. It is informative and entertaining. John was an excellent baseball player and a born leader. He was a delight to coach and work with as a member of our team. He is also a treasured friend. Congratulations on the success of your book. I am proud that you are keeping the great traditions of training and teaching the great game of baseball. All my love. - Bill Rogers, coach of the 1964 Little League World Champions - Mid Island Little League - Staten Island, N.Y
