Red Queen: USA Today calls Victoria Aveyard's debut novel "a sizzling, imaginative thriller, where romance and revolution collide, where power and justice duel." Mare is a Red, scraping by as a thief, until, by a twist of fate, she discovers an ability all her own. One wrong move can lead to her death, but in the dangerous game she plays, the only certainty is betrayal.

Glass Sword: The hotly anticipated sequel escalates the struggle between the growing rebel army and the blood-segregated world they've always known—and pits Mare against the darkness that has grown in her soul.
