The UDI escalated the conflict in Rhodesia, often later referred to as Zimbabwe Rhodesia and then Zimbabwe, as political tensions rose between the minority white government and the black majority population.

## The Rhodesian Bush War

The Rhodesian Bush War, also known as the Second Chimurenga, was a protracted conflict that lasted from 1964 to 1979. It was fought between the predominantly white Rhodesian government forces and various African nationalist

guerrilla groups, including the Zimbabwe African National Liberation Army (ZANLA) and the Zimbabwe People's Revolutionary Army (ZIPRA).

With neighboring countries allowing and supporting the African nationalist guerrillas, Rhodesia faced difficult challenges on all fronts. The conflict witnessed numerous battles and military operations, with both sides employing guerrilla tactics.

The Rhodesian War of 1965–80 is the battle for control of present day Zimbabwe. The former British colony of Southern Rhodesia rejected British moves towards majority rule and on 11 November 1965 the Rhodesian Prime Minister Ian Smith announced his country's Unilateral Declaration of Independence from Great Britain. That act sparked a series of violent encounters between the traditional colonial army and the African guerilla insurgents of the Patriotic Front. This book examines the successes and failures of the counter-insurgency campaign of Smith's security forces and the eventual bloody birth of a modern African nation.
