This Kindle edition contains collection of the best writings by thomas paine ;
which include

****Common Sense**** : Common Sense was a pamphlet written by Thomas Paine in 1775–76 advocating independence from Great Britain to people in the Thirteen Colonies. Writing in clear and persuasive prose, Paine marshaled moral and political arguments to encourage common people in the Colonies to fight for egalitarian government. It was published anonymously on January 10, 1776, at the beginning of the American Revolution, and became an immediate sensation.

****The American Crisis**** : The American Crisis is a pamphlet series by eighteenth century Enlightenment philosopher and author, Thomas Paine, originally published from 1776 to 1783 during the American Revolution. Often known as, The American Crisis, or simply, The Crisis, there are 16 pamphlets in total. Thirteen numbered pamphlets were published between 1776 and 1777, with three additional pamphlets released between 1777 and 1783.[2] The first of the pamphlets was published in Pennsylvania Journal on December 19, 1776.[3] Paine signed the pamphlets with the pseudonym, "Common Sense".

****The Age of Reason**** : The Age of Reason; Being an Investigation of True and Fabulous Theology is a work by English and American political activist Thomas Paine, arguing for the philosophical position of Deism. It follows in the tradition of eighteenth-century British deism, and challenges institutionalized religion and the legitimacy of the Bible. It was published in three parts in 1794, 1795, and 1807.

****Rights of Man**** : Rights of Man (1791), a book by Thomas Paine, including 31 articles, posits that popular political revolution is permissible when a government does not safeguard the natural rights of its people. Using these points as a base it defends the French Revolution against Edmund Burke's attack in Reflections on the Revolution in France (1790).
