Don't miss a single moment of the beloved, bestselling Gallagher Girls series in this ebook collection, where spies-in-training navigate secret missions, friendship, betrayals, and first love.

Cammie Morgan is a student at the Gallagher Academy for Exceptional Young Women, a fairly typical all-girls school -- that is, if every school taught advanced martial arts in PE and the latest in chemical warfare in science, and students received extra credit for breaking CIA codes in computer class. The Gallagher Academy might claim to be a school for geniuses but it's really a school for spies.

Even though Cammie is fluent in fourteen languages and capable of killing a man in seven different ways, she has no idea what to do when she meets an ordinary boy who thinks she's an ordinary girl. Sure, she can tap his phone, hack into his computer, or track him through town with the skill of a real "pavement artist" -- but

can she maneuver a relationship with someone who can never know the truth about her?

Cammie Morgan may be an elite spy-in-training, but she's on her most dangerous mission yet -- falling in love.

This ebook collection includes all six Gallagher Girls books: I'd Tell You I Love You, But Then I'd Have to Kill You, Cross My Heart and Hope to Spy, Don't Judge a Girl by Her Cover, Only the Good Spy Young, Out of Sight, Out of Time, and United We Spy.
