As the war rages on, William becomes a key figure in the battle against the oppressive forces. His journey is filled with difficult choices, sacrifices, and moments that test his resilience. With each turn of the page, readers are drawn deeper into the intensity of the conflict and the intricate web of alliances and betrayals.

The Power of Themes

"Drums of War: Full Measure" explores a wide range of thought-provoking themes that resonate with readers of all backgrounds. At its core, it delves into the price of war, the value of courage, and the importance of sacrifice. The author masterfully weaves these themes into the narrative, allowing readers to reflect on their own beliefs and values.

Additionally, the novel delves into themes of friendship, loyalty, and the complexities of human nature. Through the interactions between the characters, readers are confronted with moral dilemmas and the consequences of their choices. These themes add depth and complexity to the story, making it a truly engaging read.

The Unbreakable Characters

The characters in "Drums of War: Full Measure" are expertly crafted, each with their own compelling arc and motivations. William, the protagonist, undergoes a remarkable transformation from a naive soldier to a battle-hardened warrior. His growth is mirrored by the antagonist, a formidable general driven by his own twisted ideals.

Supporting characters, such as William's loyal comrades and a mysterious mentor figure, add further layers to the narrative. Their relationships and interactions provide moments of vulnerability, strength, and unexpected alliances, keeping readers on the edge of their seats.

An Emotional Rollercoaster

Prepare to have your heartstrings pulled and your emotions tested as you journey through "Drums of War: Full Measure." The novel is a rollercoaster of emotions, offering moments of triumph, despair, hope, and heartbreak. The author skillfully

captures the raw essence of human emotions, drawing readers into the lives of the characters.

From nail-biting battle sequences to heartrending sacrifices, each moment in the novel adds to the emotional intensity. The immersive storytelling will leave you breathless, forming a deep connection to the characters and their struggles.

A Masterpiece in Every Sense

"Drums of War: Full Measure" is a literary masterpiece that leaves an indelible mark on its readers. From its meticulously crafted prose to its intricate world-building, every aspect of the novel shines. The author's vivid descriptions transport readers to the war-ravaged kingdom, immersing them in its sights, sounds, and smells.

Furthermore, the pacing of the story is flawlessly executed, keeping readers eagerly turning page after page. Each twist and turn is expertly timed, never allowing the momentum to wane. The novel is a true testament to the author's skill and dedication to their craft.

"Drums of War: Full Measure" is a must-read for fans of epic tales, gripping storytelling, and complex characters. This extraordinary novel captures the essence of war, bravery, and sacrifice like no other. Its exploration of timeless themes and its ability to evoke powerful emotions make it a truly engaging and unforgettable read. Prepare to be captivated by the unputdownable journey that awaits within these pages.

Following a personal tragedy and their graduation from West Point, 2nd Lieutenants Jake Jacobs and Patrick McSwain don the army blue to fulfill their obligation to the U.S. Army by serving in the combat arms. Jake joins the Green Berets and Patrick becomes a Huey Cobra helicopter pilot. It's the Vietnam War in action, the final throes of agony for the American military. Both boys have become men and the women who love them find that Duty-Honor-Country is their way of life.

Jake leads the last inland mission in South Vietnam and is thrust into combat with global terrorists and their death-dealing use of hijackings and chemical weapons on American soil. Patrick supports troops on the ground with a helicopter that is terrifyingly capable of tearing things up. At the same time, a murderous enemy, encouraged by the Cold War, tests the resolve and adaptability of America to counter enemies foreign and domestic. A demoralized military that has fallen out of public favor makes for uncertain careers, shifting internal politics at the highest levels of command, and military families that suffer indignities for serving one's country.

Like the first volume West Point, Drums of War is a rollercoaster ride of emotions. Told with heart and humor, the book is a thriller of a journey, filled with mystery

and suspense.

Drums of War is a must-read for any reader interested in the great history of military life, patriotism, and the Armed Forces. This coming-of-age story is also enjoyed best by readers of historical fiction, Christian fiction, and military fiction.

Drums of War is the latest novel in the trilogy A Full Measure.

Available in Kindle, Kindle Unlimited, and paperback.

In Praise of Drums of War

“As a fan of military novels, I really liked reading Patton’s second work, Drums of War. It ties in perfectly with his first book, West Point, of the trilogy. Its storyline and characters are both captivating and true to life. Patton’s trilogy is an appealing story of military service during a very trying time in our national history, and I eagerly await the final book of this series.”--Mike Herbert, Captain, U.S. Navy (Retired)

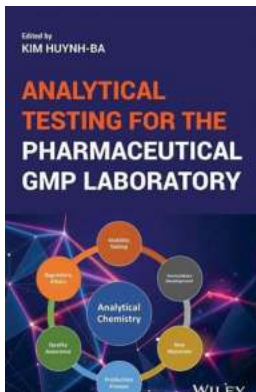

“Drums of War kept my interest throughout, making it hard to put it down. It was a journey of emotional extremes: highs and lows, laughter and tears. Great read!”--T.C. Berry

“Once again, J. M. (Mike) Patton has knocked it out of the park! His writing skill in his second novel Drums of War takes you from reading the novel to the point of experiencing it, right alongside Jake! After just a few sentences into the novel, the reader moves from his own reality into Jake’s, tasting an awesome steak while recalling the fondness of a long-lost love, to the tenseness of the unknown on a dark, distant battlefield. Reading is experiencing Drums of War.”--Tommy T. Tatum

“I read the book in one day!! Unputdownable! Book two, Drums of War is so worth the wait. But book three can't be published fast enough. Your emotions will run the gamut as you dive into the next phase of these rich characters' lives.”--Brandi Wood

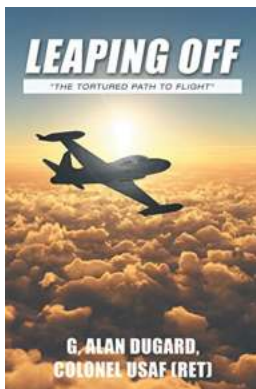

“I have read the first two books of the Full Measure trilogy, West Point and Drums of War, and found them connected and exceptional. As a cadet at USMA, 1963-67, I had similar experiences as those described for Jake Jacobs.”--Dr. Daniel P. Schrage, Colonel, US Army (Retired), Professor Emeritus, Georgia Tech

“The characters are vibrant. The emotions enkindled are universal ... he has captured not only the details of that experience but also the character traits that embody a graduate's service as an officer in the U.S. Army: Duty, Honor, Country. Drums of War reads like a thriller.”--Wayne Springer
