## My Favorite Toys, Bernice

I have a lot of favorite toys.  
I cannot choose just one.  
I need to keep them all around  
For different kinds of fun.

A book, a doll,  
A drum, a ball,  
And, of course, my teddy bear.  
A wagon, a bike,  
And finally I like  
The jack-in-the-box sitting there.

As you can see, I need them all  
For work and play and rest.  
When you go home to find your toys,  
Which ones do you like best?

SUGGESTION: Use interactive writing to make a chart or class book about toys. ("Rayshawn's favorite toy is \_\_\_\_.") They will be adding more modern toys to the list. Each child can make an illustration to glue on the chart or in the book.
