A New York Times, Publishers Weekly, and IndieBound bestseller!

Balancing epic and intensely personal stakes, bestselling author Adam Silvera's *Infinity Son* is a gritty, fast-paced adventure about two brothers caught up in a magical war generations in the making.

Growing up in New York, brothers Emil and Brighton always idolized the Spell Walkers—a vigilante group sworn to rid the world of specters. While the Spell Walkers and other celestials are born with powers, specters take them, violently stealing the essence of endangered magical creatures.

Brighton wishes he had a power so he could join the fray. Emil just wants the fighting to stop. The cycle of violence has taken a toll, making it harder for anyone with a power to live peacefully and openly. In this climate of fear, a gang of specters has been growing bolder by the day.

Then, in a brawl after a protest, Emil manifests a power of his own—one that puts him right at the heart of the conflict and sets him up to be the heroic Spell Walker Brighton always wanted to be.

Brotherhood, love, and loyalty will be put to the test, and no one will escape the fight unscathed.

Don't miss *Infinity Reaper*, the gripping sequel, which includes a special prequel short story starring Ness!
