First Love is a novella by Ivan Turgenev. It is one of his most popular pieces of short fiction. It tells the love story between a 21-year-old girl and a 16-year-old boy.

Vladimir Petrovich Voldemar, a 16-year-old, is staying in the country with his family and meets Zinaida Alexandrovna Zasyekina, a beautiful 21-year-old woman, staying with her mother, Princess Zasyekina, in a wing of the manor.

The young Vladimir falls irretrievably in love with Zinaida, who has a set of several other (socially more eligible) suitors whom he joins in their difficult and

often fruitless search for the young lady's favour.
