*From New York Times bestselling author Addison Moore comes a Social Experiment of HILARIOUS and hot proportions ***The SOCIAL EXPERIMENT BOXED SET (3 BOOKS)! Romantic comedy***

Two strangers, six weeks, the social experiment says the odds are in their favor. Rowen and Sophie say they aren't.

INCLUDES: The Social Experiment, Bitter Exes and Chemical Attraction.

Rowen Garret is a jackass of the highest order. I knew signing up for some experimental dating experience would not pan out to be a good thing, but after kissing a stranger in the dark for five solid savory minutes only to have the lights come on and expose him for the jerk he is, I have the sudden urge to strangle my new roommate who talked me into this nightmare.

Sophie Meyer is a handful. I should know, I hung out in her living room for so long I became a fixture. But that was when her older brother, Braden, and I actually got along, before he snatched my longtime girlfriend out from underneath me and stopped speaking to me as if I were the one who hijacked his life. And now here I am with his feisty little sister in my arms, her face lit up in horror at the thought of what we've just done. I would never kiss Sophie Meyer under normal circumstances, never even entertain the thought. Nope, this was a bad idea through and through. This is one social experiment I never want to think about again. But one thing is for sure. I will never forget that kiss.

From the NEW YORK TIMES and USA TODAY bestselling author, Addison Moore — Cosmopolitan Magazine calls Addison's books, "...easy, frothy fun!"
