This “twisted” psychological thriller is “an intimate study of damaged people, the pain they’re in, and the havoc they wreak” (Kendare Blake, author of *Anna Dressed in Blood*).

But when Chase, a mysterious, charismatic patient, agrees to help her seek vengeance, Alice begins to rethink everything. Writing out the story of her troubled past in a journal, she must confront hidden truths—and find out whether the one person she trusts is telling her only half the story.
