New college. New town. New start.

That's what I wanted.

Get away from the memories.

Forget my past. Claim my future.

Something not on my list - a new boyfriend.

Especially some preppy rich guy.

But there's something about Garret...

He feels like a friend, and the more our friendship grows, the more I want his love.

Life's never that simple though - especially not my life.

Garret's family isn't happy with me, and no one knows the secret I'm struggling with.

I don't know how yet, but I know I've got to face it. Will Garret stay by my side?
