The New York Times bestselling illustrator of *Blue is the Warmest Color*, Julie Maroh, and Lambda Award-winning author Alex Sanchez (*Rainbow Boys*), present a new coming-out romance set against the backdrop of the DC Universe. Jake Hyde doesn't swim-not since his father drowned. Luckily, he lives in Truth or Consequences, New Mexico, which is in the middle of the desert, yet he yearns for the ocean and is determined to leave his hometown for a college on the coast. But his best friend, Maria, wants nothing more than to make a home in the desert, and Jake's mother encourages him to always play it safe.

Yet there's nothing "safe" about Jake's future-not when he's attracted to Kenny Liu, swim team captain and rebel against conformity. And certainly not when he secretly applies to Miami University. Jake's life begins to outpace his small town's namesake, which doesn't make it any easier to come out to his mom, or Maria, or the world.

But Jake is full of secrets, including the strange blue markings on his skin that glow when in contact with water. What power will he find when he searches for his identity, and will he turn his back to the current or dive head first into the waves?
