The world, decimated. Her job, to fix it. He's a jealous murderer. Can she negotiate the dream world to save herself?

Just trying to live a normal life, her world is annihilated and she just wants to get back to normal. It's not clear why she was chosen or by whom. But she's a critical part of the rebuild process. After she completes that task, life starts to resemble a type of normal.

Trying to find her way, she begins to have some meaningful dreams. Learning how to help others interpret their dreams, she develops some new skills. But she unknowingly attracts the attention of the one who is hunting her.

Finding the gateway to the dream world is not enough because he can find her there also. She can no longer hide from her evil opposite. When she realizes who he is and what his plan is, she sets out to find him.

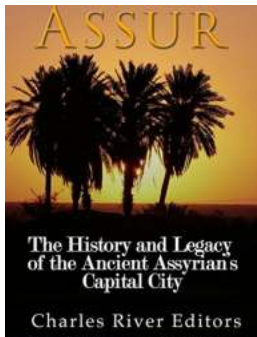

If she can't find her pursuer in time, will he destroy the world again?

This book is non-explicit, so gift it to your teen or young adult knowing they won't be offended.

This is a compelling stand alone book that has a surprise ending. This is the second book by this author. She has left little Easter Egg references back to her first book.
